

# The Sons of the Republic of Texas

## *Save Our History Proclamation*

**WHEREAS**, The purpose of The Sons of the Republic of Texas is to perpetuate the memory and spirit of the men and women who achieved and maintained the independence of Texas; and

**WHEREAS**, The accurate portrayal of the history of the events and historical sacrifices in the fight for liberty and freedom from tyranny that led to Texas becoming a Republic is crucial to the understanding of why Texas is exceptional; and

**WHEREAS**, The Sons of the Republic of Texas seeks to encourage that only accurate portrayals of our history are published and distributed;

**NOW, THEREFORE**, The Sons of the Republic of Texas supports and encourages all government, educational, civic and private individuals to question and challenge agenda-driven rewrites of our history. All should seek out the true and accurate information created in the time of the Republic and reject any untruths; and to take steps individually and collectively to insure that no public or private funds are allocated to those entities that support the inaccurate portrayal of our Texas history.
